H A BRIEF HISTORY

For 59 years, Crisp Regional Hospital has served the medical needs of the area. The present facility opened its doors in 1990 and has completed an expansion project that doubled the size of the intensive care unit (ICU), provided a new medical records area, a larger physician's lounge, a relocation for the same-day surgery department and a new Emergency Department wing.

- 1895:** Cordele Sanitarium was originally built for a school.
- 1913:** Sanitarium was destroyed by a fire and current location was purchased.
- 1946:** Hospital Authority was created.
- 1952:** Crisp County Hospital opens.
- 1990:** Crisp Regional Hospital opens.
- 2008:** New ICU unit is built.
- 2010:** New Emergency Department wing is expanded.
- 2014:** Medical-Surgical wing renovation.
